

ULTRADENT EXPERIENCE SICILY

18-23 Oct 2024

- Presented by Ultradent Products -

The Ultradent Experience Sicily is a unique combination of **powerful dental lectures** by leading global lecturers and an **unforgettable travel experience** to the magnificent Southern Italian island of 'Sicilia'.

During the **exclusive six-day program** you will experience true Sicilian hospitality, get to know the beauty of historic Palermo, visit the famous salt mines of Marsala, dive deep into the Italian 'Dolce Vita' in Cefalù and explore what life on this Mediterranean island is like.

This tour is so much more than a dental training tour...

- ✓ It is a powerful platform to connect with likeminded dentists from all over the world!
- ✓ It is an unforgettable trip you can take with your partner and friends!
- ✓ It is a wonderful time to unwind from everyday stress!
- ✓ It is unique, impactful, unforgettable!

DENTAL LECTURES

We are proud to announce that **three leading international lecturers** are going to conduct the dental lectures: Dr. Ana Cecilia Aranha, Dr. Rafael Beolchi and Dr. José Gabriel Martínez

The lectures have been created in a way to best support you in your dental practice, featuring **latest trends & important techniques** in **modern dentistry**. The lectures will run from 8:00-14:00 on the 19 & 20 October. They will take place at our event hotel (Città del Mare). If you bring your partner, family or friend(s), they can enjoy the hotel and beautiful surroundings during the time of the lectures. Breakfast and lunch can be taken together. The afternoon and evening program will take place as a joint experience, as well as the two full days of program that follow the lecture days.

- ✓ Dr. José Gabriel Martínez - Composite restorations in the posterior sector, from single tooth to large rehabilitations: 3-D printed solutions for the digital era
- ✓ Dr. Rafael Beolchi - Dental whitening: fundamental knowledge on how to treat even the most complex cases
- ✓ Dr. Rafael Beolchi - Aesthetics with simplicity: how new technologies can help us with composite color blending
- ✓ Dr. Ana Cecilia Aranha - Incorporating laser dentistry into your daily practice

The Ultradent Dental Experience will be organised by our long-standing partner and award-winning boutique agency Sonnenkind Pte Ltd.
